AMENDMENT 002

This amendment is raised in order to address bidder questions received as of August 23rd, 2016.

Question 1: For M2 List of Project, requesting 3 samples per category and per personnel - for example, if it is for Writing services (or others, except for Design services), can the sample provided be an article from the same magazine, but three different articles from 3 different issues? Example: sample 1, article on Fuels from Issue 32 of Magazine XYZ, Sample 2, article on Guns from Issue 37 of Magazine XYZ, and sample 3, article on Cars from issue 42 of Magazine XYZ?

Response 1: Yes, in accordance with Mandatory M.2 article (d).

Question 2: Same question as in Point 1 above, except for the design services, can a sample project be different articles within a same magazine, same Issue. For example Magazine XYZ, Issue 36 : sample 1 is article on Guns, sample 2 is article on Houses in Nepal and Sample 3 in article of Canada.

Response 2: Yes, in accordance with Mandatory M.2 article (d).

Question 3: For R1 Additional years of Experience and R2 Additional Projects Experience, this seems to be exactly the same requirement as the M1 and M2 Mandatory requirements - When it says maximum points for 7 projects (for R2), that is 7 projects different and in addition to the 3 projects in the Mandatory section - is this correct? Or do the 3 projects in Mandatory are part of the 4 project getting maximum points? (same with M1 and R1, for years).

Response 3: Experience acquired in M.1 & M.2 can be re-used in R.1 & R.2.
