AMENDMENT NO. 001

This amendment is raised to answer Bidders' questions.

QUESTIONS AND ANSWERS

Q1. Referring to Bidder Mandatory Requirement M2 and Bidder Rated Requirement R1. Both of these requirements pertain to identifying and presenting experience of the Bidders Client Manager. It is obvious the Crown is seeking the Bidder to demonstrate they have the internal capacity and stability of an employee who has effectively managed a contract of this nature. Having a Client Manager dedicated to CIC who demonstrates longevity with the bidding company is very beneficial to the Crown as it will show CIC there will be consistency and less turnover in service. However, in both requirements it does not specify the Client Manager needs to have been and still currently employed with the Bidder. Also, M2 does not specify minimum years experience with the Bidding company where R1 requires a minimum of 3 years experience. We would like to recommend the following additions to M2 and R1 to ensure CIC receives the best quality service from their Bidders (additions are underlined):

a) **Bidder – Mandatory Requirement M2:**

The Bidder must identify by name and position title an individual that will be designated as the CIC Client Manager responsible for the resource and contract management associated with the resulting contract that has been employed by the Bidder for a minimum 3 years.

b) **Bidder – Rated Requirement R1:**

Description Column: 1. The number of years of experience employed by the Bidder serving as a Client Manager.

Point Rating Column: 1 point for each year of experience exceeding three years serving as a Client Manager employed by the Bidder on contracts (up to a maximum of 5 points).

A1. Whether or not the Client Manager is, or was, employed by the Bidder is not relevant for the purpose of this procurement. In PSPC's view, imposing such a requirement may inadvertently limit competition and restrict participation, especially for those bidders who may otherwise have a qualified resource on hand, but the resource is not, or was not, employed by the Bidder. Therefore, Canada will not change Bidder Mandatory Requirement M2 and Bidder Rated Requirement R1 as requested.

Q2. Due to the high level of effort required to submit a proposal of this size, we respectfully request a 2 week extension.

A2. PSPC agrees to extend the closing date until September 13, 2016. Bidders should budget their time accordingly and submit any questions as soon as possible. Although the bid closing date is being extended, the date for answering questions is only being extended until September 2, 2016. Therefore, bidders should submit all questions by this time. Canada does not commit to answer questions received after this.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
