This Solicitation amendment is raised to answer questions received from Bidders.

QUESTION 1

With respect to C.M2 and C.R1, please confirm that not all of the contracts provided as substantiation against the requirements in C.M 2 and C.R 1 need to have a minimum value of \$5,000,000.00 as is required in corporate mandatory C.M 1.

ANSWER 1

Demonstration of experience in both C.M 2 and C.R 1 is in relation to the number of billable days per resource category and the bidder's experience and capability in supplying all of the resources, or similar resource categories, for the required billable days per category within the specified timeframe and number of contracts.

QUESTION 2

Further to the response provided to Question 2 in Amendment 010, by allowing only government contracts from within Canada PWGSC has unnecessarily limited the number of companies capable of responding to this RFP.

It is our suggestion that the response provided to Question 2 be reworded by PWGSC to allow bidders with contracts of similar size, scope and dollar value from other government entities (i.e., American and/or British) in order to ensure best value for the Crown.

ANSWER 2

Demonstration of experience as described in C.M 1 is not limited to government contracts. Canada has reviewed the request, however the RFP remains unchanged.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED
