Questions and Answers

Q6A6 – Q8A8

Q6. Has the procurement process for architect and CM been initiated?

A6. The Request for Proposal (RFP) for each will be published soon, and is expected to be completed December 2016.

Q7. A Total Bid Price for Evaluation (Bidders Evaluated Price) is required at the bottom of page 57. Is this intended for the initial 5 year phase, or for the initial phase and each of the options, for a total of 13 years of service? Are the Estimated level of Effort percentages in column A to be used for the entire initial phase and each option period? Is this the amount that will be used for the purpose of comparing bids as shown in the Basis for Selection (section 4.2 – pages 8-9)?

A7. Bidders must enter their initial rates in the table in Annex E. These will be used with the percentages listed, to calculate the Total Bid Price for Evaluation, ie. the financial component of the Basis for Selection. The rates entered in the table will be used in the contract for the first year, then adjusted in April 2018 and every year thereafter including the option periods, as per Section B of Annex B.

Q8 Page 7 – paragraph 3.1.1 requires: “Bidders must submit their financial bid in accordance with the pricing schedule detailed in Annex E. The total amount of Applicable Taxes must be shown separately.” Should we provide this information as an attachment to our Pricing Schedule (page 57)? Are the taxes to be included in the Total Bid Price for Evaluation?

A8. Simply indicate taxes separately, no need for a separate attachment. Taxes will not be included in the Total Bid Price for Evaluation.
