The purpose of this Solicitation amendment is to provide a response to questions received, as follows:

Question 1

Full Time Supervisor – Section 2.16 Supervisor outlines the responsibilities and obligations of the supervisor. Can you clarify if this person is expected to be on site at all times for the hours of 7:30 to 15:30pm?

Response:

The Supervisor is not expected to be on site for the hours of 7:30 - 15:30. The Supervisor is expected to be available, either for site meetings or to discuss any issues during those hours.

Question 2

Annuals – Section 4.3 Garden Beds refers to cultivating to ensure optimum flower display, maintain and remove faded blooms and Section 4.7 Winter Prep refers to garden beds – removing of annuals.

Question: Are we to supply and install annuals as part of this contract? How many and what type?

Response:

The Contractor must supply and install some annuals at certain sites in the spring. The quantity, size and type of annuals will be specified in the request. The labour rate and mark-up percentage rate for materials specified under section 5 Extra Work, will be applied to calculate the cost of supplying and installing the annuals. A call-up will be issued for this work.

Question 3

Section 4.5 Watering – Is there irrigation on any of the sites to provide for watering?

Response:

There are no irrigation systems at any of the sites.

All other terms and conditions will remain the same.
