## Amendment 002

### Indian Falls Fishway Reconstruction

Amendment 002 is raised for the following:

- Delete** Bid And Acceptance Form – in its' entirety.  
**Insert** Attached – Bid And Acceptance Form.  
**Insert** Attached - APPENDIX 4 – COMBINED PRICE TABLE

**THIS AMENDMENT WILL ANSWER THE BELOW RECEIVED QUESTIONS. ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.**

- Q1: Do we have pre-arranged access to the Indian Falls Park from Lunenburg County, or is this something we have to make our own arrangements for?**  
A1: Yes, DFO has prearranged staging area in park with municipality of Lunenburg
- Q2: There is not allot of information regarding the re-facing of the diversion wall, just want to clarify if the entire diversion wall is to be resurfaced. Again the spec references unit pricing for most of the concrete repairs.**  
A1: The entire diversion wall is to be resurfaced in accordance with Drawing C-106, to be measured by the cubic meter (Unit Price Pay Item 4).
- Q3: For the design and installation of the coffer dams, do you know how deep the water is along the Fishway and at the outlet at high water season.**  
A3: Considering the condition assessment was performed during the dry season and we did not perform a site survey, we do not have an estimate on water depth. DFO likely has the most experience to answer this question. Depth is unknown, and will vary with season and weather. Encourage contractors to visit site to be conversant with all site conditions
- Q4: Will the park be closed during construction, and will we have full access for laydown, cranes, .**  
A4: Park will remain accessible to the public during construction.
- Q5: Drawings C-103, says remove existing grating in pool #1 and replace the floor with concrete, are you looking for a suspended slab to replace the grating, or remove the existing concrete floor and replace with new? And does the grating get re-installed.**  
A5: The floor grating is to be removed and disposed of off-site. The hole is to be filled flush/level to the existing floor elevation using concrete (Same concrete specification to Pay Item 1 – Fishway Weirs / Baffles).

**CCC No./N° CCC - FMS No/ N° VME****APPENDIX 4 - COMBINED PRICE FORM**

- 1) The prices per unit shall govern in establishing the Total Extended Amount. Any arithmetical errors in this Appendix will be corrected by Canada.
- 2) Canada may reject the bid if any of the prices submitted do not reasonably reflect the cost of performing the part of the work to which that price applies.

**LUMP SUM**

The Lump Sum Amount designates Work to which a Lump Sum Arrangement applies.

- (a) Work included in the Lump Sum Amount represents all work not included in the unit price table as described in Section 01 29 00 Project Particulars and Measurement.

	<b>LUMP SUM AMOUNT (LSA)</b> Excluding applicable tax(s)
--	---

**UNIT PRICE TABLE**

The Unit Price Table designates the Work to which a Unit Price Arrangement applies.

- (a) The Price per Unit and the Estimated Total Price must be entered for each Item listed.
- (b) Work included in each item is as described in the referenced specification section and Section 01 29 00 Project Particulars and Measurement.
- (c) The Price per Unit shall not include any amounts for Work that is not included in that unit price Item.

Item	Specification Reference	Class of Labour, Plant or Material	Unit of Measure	Estimated Quantity (EQ)	Price per Unit GST/HST extra (PU)	Estimated Total Price GST/HST extra (EQ x PU)
1	03 30 00	Fishway Weirs / Baffles	m <sup>3</sup>	25		
2	03 30 00	Fishway Exit Walls	m <sup>3</sup>	3.5
