QUESTIONS AND ANSWERS – SERIES 1

Question 1.

Section 4.1.1.1 Mandatory Technical Criteria at. Item 03 The Offeror must have proven experience of at least five (5) years from the use of Adobe Photoshop.

i. Preamble to the question:

1. Our company is a startup that has 3 years of existence and has the capacity to carry out this mandate in resources.

ii. Question

1. The offering, is the legal entity that needs to have 5 years of existence? If yes, why?

Answer 1.

The staff at Specialized Firearms Support Services who are tasked with imaging have all been through the "learning Curve" involved with using Photoshop and the various digital cameras and software required for producing a consistent high quality image product.

It is our opinion based of our hiring requirements that 5 years of experience provides a very solid basis for this type of work.
