Please amend the above mentioned bidding solicitation with the changes below:

Question 11:

We have a few questions with respect to the above referenced request for the CCGS Martha L. Black.

- 1.1.1 asks for TCMS approved documentation
- 1.6.3 asks for TCMS pre-test
- 5.1 asks for Steam generator test ran as per the requirement of TCMS.
- 5.3 asks for TCMS steam generator Clearance

However, 1.2.2 states: 'Certification/Approval of a marine classification society recognized such as Lloyd's, ABS, USCG, BV etc and provide original certificates; TC approval is not considered sufficient approval.'

11 a) Can you please clarify as we don't believe 1.2.2 is accurate based on the other references to TC above and we prefer to have our units TC approved?

11 b) We would also like to ask for an extension to the Oct 4/16 bid closing based on the questions above?

Answer 11:

11 a) The supplied steam generator is to be certified by a classification society as indicated in item 1.2.2. However the ship is certified by TCMS, and therefore they shall be implicated throughout the process, as indicated in items mentioned above.

11 b) Please refer to the first page of this bid solicitation amendment for new solicitation closing date.

All other clauses and conditions from the bidding solicitation remain the same.
