The following changes in the tender documents are effective immediately. This Amendment will form part of the contract documents.

A. Request for Proposal (RFP)

- 1) Delete 2.1 Experience of the Bidder, 2.1.1 table, in its entirety,  
and;

Replace with *2.1 Experience of the Bidder, 2.1.1 **Revision 1***, attached.

B. QUESTIONS AND ANSWERS

- Q1) Regarding the following note in item 1.2.3, under the *Description of the Project* section, PWGSC under separate contract has leased and constructed scaffolding on the east and south facades of the Four Corners building. PWGSC intends to novate this contract to the CM as part of the Division 1 requirements for the contract. The CM shall inspect and certify the scaffolding once they have taken ownership of the site. Could we have a copy of the contract?
- A1) The Contractor who is awarded the contract will be given access to the contract.
- Q2) As per the site visit, the current installation of the building can be used during the project's completion. Please confirm if the temporary heating is provided by PWGSC
- A2) Not applicable. This will be defined once the contract is awarded.
- Q3) Regarding the optional work described at item 1.2.2, under the Description of the Project section;  
Please confirm on what criteria's this optional work would take place.
- A3) The Optional Work is based on the same criteria as stated in the ToR of the solicitation.
- Q4) Are Projects 1 and 2 under all sections to be the same two projects?
- A4) Yes, refer to Note in section 2.1.1.
- Q5) In Section 2.1.1 it states "one project must have a Certificate of Completion issued later than December 31, 2010. Can other project be pre December, 31, 2010?
- A5) No, the other project cannot have been completed prior to December 31, 2010.

- Q6) Also in same section it states "if both projects not completed, the other project must be ongoing". Please clarify since my interpretation is that if both projects are not completed, both must be ongoing and that contradicts one having to be completed later than December 31, 2010.
- A6) See Amendment 001 – A. Request for Proposal (RFP), 1) for an answer to this question.
- Q7) Are you non-responsive if only one project has the heritage masonry component?
- A7) Refer to section 2.1.2: The sample projects must also capture the following Bidder Experience in some combination.
- Q8) We have extensive experience in masonry lump sum bid projects such as the Peace Tower, Centre Block and Library of Parliament and would like to know if you would consider modifying your mandatory requirement of Design/Build, Construction Management method of delivery to suit our expertise.
- A8) No. Bid as per solicitation document.

## 2.1 Experience of the Bidder

### 2.1.1 Revision 1:

Bidder Experience	Project		Meets all (Y/N)
	Project 1	Project 2	
Must be delivered in the Construction Management or Design Build Method			
Must be greater than or equal to \$5,000,000			
One project must have a Certificate of Completion issued later than December 31, 2010			

end
