Amendment 004 is being raised to answer a question from a potential bidder:

Question 1:

It was noted during the site visit there will be an amendment issued listing all owner supplied equipment. Should we expect this before tender closing?

Answer 1:

During the site visit it was noted that some material is being supplied by the owner/PSPC.

Granular material, slag, exists on site that was to be used in the contract. The information on that material was covered in an earlier amendment. There is equipment being "Owner Supplied".

On review of the specification it has been confirmed that owner supplied equipment is correctly identified in the document so no further amendment to clarify is required.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
