

## **W8474-17-NF18 – Foam Inserts – Questions and Answers**

### **Question 1:**

In some of the drawings there are cases shown. Is the requirement to also quote the cases or just foam inserts? In the event cases are required is it acceptable to have an alternative to Pelican cases?

### **Answer 1:**

The deliverables are listed in Annex A – Requirement – Line Item Details. As per Annex A, cases are not a deliverable for this requirement.
