## AMENDMENT 004

This solicitation amendment (004) is raised to publish clarifications sought by Industry.

### **Question # 1**

#### **REF: Annex C - Basis of Payment - CLIN 001 – R&O Services**

It is mentioned that Contractor will be paid for:

- (1) Firm Hourly Blended Direct Labour rates.
- (2) Laid down cost of material furnished.
- (3) Material Mark-up (including profit), up to MRC.

Does Canada can confirm whether or not if the Firm Hourly Blended Direct Labour rates include the materials cost?

### **Clarification to Question #1**

Industry is advised that the Hourly Blended Direct Labour rates excluded material cost, but all other associates mark-up including shipping and profit should be rolled into their proposed R&O Firm Hourly Blended Labour Rate.

The material percentage mark-up shown will be the profit and G&A and will be applied to the laid-down cost\* of the items procured only by Canada.

### **Question #2**

#### **REF: Annex C - Basis of Payment - CLIN 001 – R&O Services; and**

#### **REF: Annex G - Evaluation Plan Appendix 1 – Microsoft Excel® workbook.**

It is requested that bidder proposed the following:

- (1) Firm Hourly Blended Direct Labour rates (RATE A)
- (2) Firm Hourly Blended Direct Labour rates (RATE B)

Does Canada can confirm whether or not if the Firm Hourly Blended Direct Labour Rate is a unique rate or if a sub-contractor Rate must be submitted separately?

### **Clarification to Question #2**

Industry is advised that sub-contractor Rates aren't requested, and the bidder proposed Firm Hourly Blended Direct Labour Rates (RATE A and RATE B) are requested.

Industry is also advised that all associates mark-up including shipping and profit should be rolled into their proposed R&O Firm Hourly Blended Direct Labour Rate.

Canada understand the competitive market and is aware that financial information received from any sub-contractor is treated as "Commercial in Confident" information and it's not being released to a third party.

**ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME**
