

Q&A#1 – RFP – W6369-17-X014 – Office Ergonomic Assessments

Number	Questions/Answers/Amendments
Question 1:	My understanding of the RFP is that as an organization we must have at least one of a Registered Kinesiologist and Registered Physiotherapist available to supply the ergonomic assessments, I just want to confirm that we do need at least one of each and that it's not one or the other.
Answer 1:	At a minimum, there must be one (1) Registered Kinesiologist and one (1) Registered Physiotherapist as proposed resources.
