

ADDENDUM # 3 OF 3

Project Name: Physical Security Upgrades to the High Commission of Canada in Dakar, Senegal – Phase 1
Project No.: B-DAKAR-300
Solicitation No.: ARP-CONST-DAKAR-15110
Date: October 17, 2016

The following supplements and/or supersedes the request for proposals documents issued on September 26, 2016. This addendum forms part of the contract documents and is to be read, interpreted, and coordinated with all other parts. Any change to the cost of the work as a result of this addendum is to be included in the price proposal. The following revisions supersede the information contained in the original Request for Proposals Package for the above-mentioned project to the extent referenced and shall become part thereof.

7. Question #5:

Further to Section 1.0 Description of Project, I understand that it mentions that there will be a replacement of the existing CCTV and security infrastructure. Would any of the new security infrastructure contain under vehicle inspection systems, vehicle barriers, RFID and/or access control systems?

Answer:

Yes the new security infrastructure includes revisions to the existing access control systems.
