**QUESTIONS AND ANSWERS**

**Q9** Are you able to issue the meeting minutes from each bidders meeting please as well with any drawings that depict the preferred location(s) of any temporary MCCP consoles?

The purpose of this question is to determine to amount/distance of conduit that needs to be ran from the existing MCCP to the temporary MCCP for communications cable and electrical power.

**A9** No Meeting minutes are available. The STR includes a diagram of the proposed location of the new console, complete with measurements, for reference purposes. In addition, the prospective bidders were shown the options for the location of the temporary console during the site visits. With the exception of Matsqui Institution, the temporary console will be located in the MCCP. Bidders have been sent via email the floor plan drawings of the first floor at Matsqui, which includes the MCCP (room 138) and room 113 the location for the temporary console identified in the amendment that provided the additional information for the Bidders.
