Solicitation Amendment No. 004 is being raised to:

(A) Amend the Response to Question 43 of Solicitation Amendment No. 003 as shown below.

SECTION A – MODIFICATION TO SOLICITATION AMENDMENT NO. 003

FOR QUESTION 43 (shown below):

"RFP states that "design, installation and removal of cofferdams and all other temporary works" are part of the scope (i.e. p.24 &27). Our understanding is that the Prime Consultant is responsible for preparing the design criteria and submitting them to the Contractor, but it is the Contractor that is responsible for the detailed design of the temporary works. Please confirm our understanding."

DELETE THE ORIGINAL RESPONSE:

"Note the reference of "design, installation and removal of cofferdam and all other temporary works" is under the heading of "Expected Outcome and Construction Deliverables:" and as such refers to work to be completed by the Construction Manager/Contractor."

INSERT:

"The Prime Consultant will be responsible for the development of the design criteria and detailed design of the cofferdam and all other temporary works, while the Construction Manager/Contractor will be responsible for the construction and removal of these works."

ALL OTHER TERMS AND CONDITIONS OF THE REQUEST FOR PROPOSAL REMAIN UNCHANGED
