This amendment # 001 is published in order to answer a question received by a potential bidder and to modify the following:

- Part 2 – Bidder Instructions, clause 2.6 – Mandatory Site Visit.

**Question # 1:** I would like to attend the site visit for the above mentioned RFQ. Now, here's the thing.... For some reason, PWGSC Industrial Security had to re-do all of my security clearances and this has been on-going since July of this year. Can I attend while this is pending and they are restoring?

**Answer # 1:** You can attend the site visit even if you do not have the security clearances given in Part 6 – Security and Insurance Requirements. However, you must fulfill all the conditions mentioned in Part 6 regarding the security requirements before the award of an eventual contract. See modification of Clause 2.6 – Mandatory Site Visit below for more information.

**In the Request for Proposal, delete: 2.6 Mandatory Site Visit and replace with:**

## **2.6 Mandatory Site Visit**

Due to the nature of this requirement and in order to gain access to the site, it is MANDATORY that all interested bidders submit the Names (legal name) of their representatives that will be attending the Mandatory Site Visit to the Contracting Authority (Josée Nolet) by facsimile at 819 956-3600 or by email at [josee.nolet@tpsgc-pwgsc.gc.ca](mailto:josee.nolet@tpsgc-pwgsc.gc.ca) **no later than Tuesday, November 1<sup>st</sup>, 2016 at 5:00 pm.**

It is mandatory that the Bidder or a representative of the Bidder visit the work site. Arrangements have been made for the site visit to be held at the Canadian Nuclear Safety Council (CNSC), 280 Slater Street, Ottawa, on **Thursday, November 3<sup>rd</sup>, 2016**. The site visit will begin at **10:00 Eastern Daylight Time**, and the meeting point is the front lobby of the CNSC building at 280 Slater Street, Ottawa, in the National Capital Region.

**It is mandatory that bidders provide and wear safety boots, hard hat and security glasses for the site visit. Bidders who do not comply will not be permitted to attend the site visit.**

Bidders must communicate with the Contracting Authority no later than **November 1<sup>st</sup>, 2016 at 5:00 pm** to confirm attendance and provide the name(s) of the person(s) who will attend. Bidders will be required to sign an attendance sheet. Bidders should confirm in their bid that they have attended the site visit. Bidders who do not attend the mandatory site visit or do not send a representative will not be given an alternative appointment and their bid will be declared non-responsive. Any clarifications or changes to the bid solicitation resulting from the site visit will be included as an amendment to the bid solicitation

**All other terms and conditions remain the same.**
