
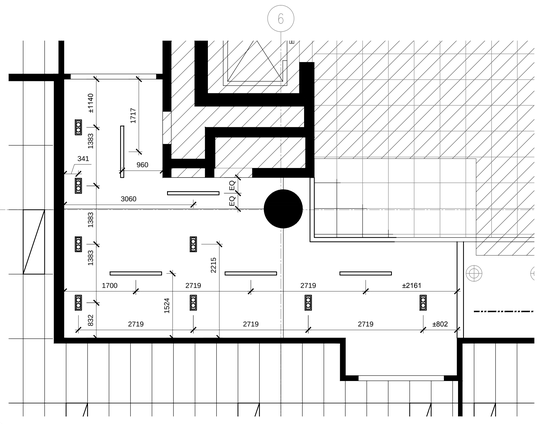
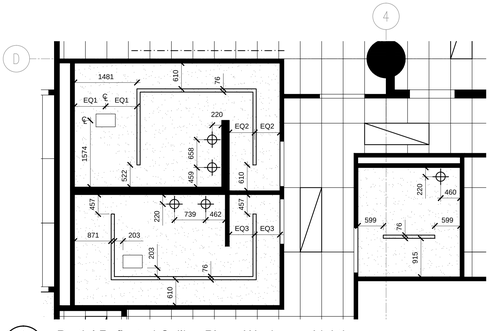
1 05 05 Reflected Ceiling Plan

Scale: 1:100



2 05 05 Partial Reflected Ceiling Plan - Public Corridor Lighting

Scale: 1:50



3 05 05 Partial Reflected Ceiling Plan - Washroom Lighting

Scale: 1:50

Reflected Ceiling Legend:

- New LED recessed light fixture, size varies. Refer to Electrical drawings.
- New LED recessed down light fixture. Refer to Electrical drawings.
- New directional LED recessed down light fixture. Refer to Electrical drawings.
- New directional dual head recessed down light fixture. Refer to Electrical drawings.
- Existing recessed down light fixture. Refer to Electrical drawings.
- New surface mounted track light. Refer to Electrical drawings.
- Existing surface mounted track light. Refer to Electrical drawings.
- New LED pendant light fixture. Refer to Electrical Drawings. Mounting Height: 2134 A.F.F. to u/s of light fixture
- New LED linear recessed down light, size varies. Refer to Electrical drawings.
- New continuous LED strip light fixture secured to the underside of upper millwork cabinet. Transformer to be located above ceiling. Lighting to be separately switched. Refer to Electrical drawings.
- Denotes new 508mm x 1529mm suspended T-bar ceiling grid and Type 1 acoustical tiles. Contractor to refer to specifications.
- Denotes new extension of existing 610mm x 610mm suspended T-bar ceiling grid, tile supplied by Departmental Representative, installed by Contractor.
- Denotes new 610mm x 610mm suspended T-bar ceiling grid and Type 2 acoustical tiles supplied by Departmental Representative, installed by Contractor.
- Denotes new Type 3 patterned acoustical tiles supplied by Departmental Representative, installed by Contractor.
- Denotes new Type 4 patterned acoustical tiles supplied by Departmental Representative, installed by Contractor.
- Denotes new Type 5 patterned acoustical tiles supplied by Departmental Representative, installed by Contractor.
- Denotes new Type 6 patterned acoustical tiles supplied by Departmental Representative, installed by Contractor.
- Denotes new Type 7 patterned acoustical tiles supplied by Departmental Representative, installed by Contractor.
- Denotes new Type 8 patterned acoustical tiles supplied by Departmental Representative, installed by Contractor.
- New suspended gypsum board ceiling. Ceiling to consist of 13mm gypsum board on 65mm metal studs at 305mm O.C. New ceiling to be taped, sanded and made ready to receive new finish. Refer to Section 7 ID09.
- Indicates areas where Contractor is to provide above ceiling jog in slab to slab partition as required due to existing mechanical infrastructure /piping on the underside of the ceiling slab. Contractor to ensure required ratings are maintained.

XXXX A.F.F. Indicates ceiling/bulkhead height A.F.F.

Indicates existing structural i beams on underside of ceiling slab to remain. Shown for information purposes.

Reflected Ceiling Drawing Notes:

1. Lighting cove. Refer to section.
2. Line of dropped concrete beam above exterior glazing. Refer to section.
3. Contractor to install Departmental Representative supplied 102mm projector support pipe complete with flange to u/s of ceiling slab.
4. Contractor to supply and install 610mm x 610mm 90min. fire rated access hatch.
5. Contractor to supply and install side mount bracket for new exit sign mounted to gypsum bulkhead. Refer to Electrical Drawings.
6. Exhaust fan by Mechanical Contractor. Shown for location purposes only.
7. Contractor to install Departmental Representative supplied drop down ceiling mounted projector screens.
8. Vestibule to be 0h smoke separation. Contractor to ensure all partition and ceiling penetrations and joints are sealed.

Reflected Ceiling General Notes:

1. Symbols are for quantity and location only. Refer to Electrical drawings for additional information.
2. All light fixtures to be centered within acoustical ceiling tiles, unless otherwise noted.
3. All light fixtures dimensions are O.C., unless noted otherwise.
4. Contractor to ensure location of ceiling fixtures do not interfere with any structural or mechanical components. Advise Department Representative of any conflicts prior to ordering fixtures and commencing work.
5. Contractor to mark location of wall mounted, recessed down light and pendant light fixtures for approval by Department Representative prior to installation. Acoustical ceiling tiles and/or gypsum board cut without approval will be replaced or repaired by the Contractor at own expense.
