Door Finish Legend:

- (P1) Paint - General (White)
Colour: Blue/Grey
- (P4) Paint - Accent (Dark Grey)
Colour: Dark Grey
- (F1) Window Film (Maple Leaf pattern)
Departmental Representative to provide EPS file for film design. Refer to 20 D10 for design.

Door Hardware General Notes:

- Type A: Solid-core paint grade door, with 16ga. pressed steel frame.
- Type B: Solid-core paint grade door, c/w 6mm tempered glass sidelight, 16ga. pressed steel frame.
- Type C: Solid-core paint grade door, c/w 6mm tempered glass insert, 16ga. pressed steel frame.
- Type D: Solid-core paint grade double doors c/w 6mm tempered glass insert, 16ga. pressed steel frame.
- Type E: Solid-core paint grade double door, 16ga. pressed steel frame.
- Type F: Solid-core paint grade door, c/w 6mm tempered glass insert, 16ga. pressed steel frame.
- Type G: Hollow metal 3/4" Fire Rated door, 3/4" Fire Rated 16ga. pressed steel frame.
- Type H: 16ga. Laminated core steel door, 16ga. pressed steel frame.
- Door Core to be laminated with vertical steel stiffeners at 150mm O.C. Stiffeners to be welded to each face, fill all voids with mineral ball insulation.
- Frame, welded, anchored with 2 shaped steel wall anchors welded to frame. Reinforced frame face on latch side with 6.4mm x 25mm x 925mm steel plate centered on strike. Tack weld at ends and at 150mm O.C.
- Critical Attack Area: Reinforce 1200mm around the door frame on the secure side of the steel studs with 16ga. sheet steel welded to steel studs.
- Welded double stud door frame support.
- Weld 8.4mm x 25mm x 925mm steel plate tack welded to frame at ends and 150mm O.C. for in-swinging door.

1. It is the Contractor's responsibility to refer to all information in the Specification Document.
2. It is the Contractor's responsibility to read this drawing in conjunction with all other drawings in this package. Report any discrepancies between drawings to prior to commencing with Construction.
3. Contractor will be held responsible for any damage done to existing partitions, ceiling, finishes and all other components to remain and to adjacent spaces.
4. Reserved.
5. Contractor to prepare all doors and frames ready to receive hardware as specified in Door Schedule including that supplied and installed by Departmental Representative. Refer to Partition Plan on D104 for partition types to ensure door frames are suited to partition thickness and electric strike requirements.
6. Contractor to supply and install caulking suitable for painting around all door/sidelight frames, on exterior and interior side of room.
7. All doors and frames both sides and top to be painted with gloss level 5 finish latex based P4, unless otherwise noted.
8. All glazing to be 6mm tempered glass, unless otherwise noted.
9. All new door hardware finish brushed nickel and lever type.
10. All cylinder locks to be supplied and installed by Departmental Representative.
11. Barrier-free door operators, conduits and power required to operate system to be supplied and installed by Contractor. Refer to Electrical drawings.
12. Contractor to provide 610mm x 610mm mock-up of window film pattern for Departmental Representative's approval. All window film to be installed on the interior side of room unless otherwise noted. Ensure all air bubbles are flattened/removed during installation.
13. Acceptable spacing tolerance between finishes floor and bottom of door slab to be 13mm maximum.
14. Active leaf for all double doors to be RHR, unless otherwise noted.
15. Door Hardware Schedule and Shop Drawings required for all hardware sets, doors and frames.
16. All keying by Departmental Representative.
17. Door to receive heavy duty UL listed barrier-free door operators in addition to hardware set listed. Departmental Representative to supply and install operators, push paddles and all related relays.
18. Contractor to connect doors to audible alarm. Contractor to provide brushed stainless steel signage with black engraved lettering with minimum 25mm high lettering and 5mm wide stroke. Signage to Read:
Emergency Exit Only Alarm Will Sound
Sortie d'urgence seulement L'alarme de sécurité retentira
19. Contractor to provide coat hook on wall behind door. Coordinate final location with Departmental Representative.

Door Hardware Legend:

- Hardware Set H1 (Passage Function):**
 - Lever set, passage function supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair per door
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
- Hardware Set H2 (Office Function):**
 - Lever lockset, office function supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
- Hardware Set H3 (Office Function with Door Closer):**
 - Lever lockset, office function supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
- Hardware Set H4 (Classroom Function, Exit Device with Door Closer - Double Doors):**
 - Active Leaf:
 - UL listed panic exit hardware with lever lockset, classroom function outside c/w integrated automatic concealed flush bolts, top and bottom, supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer equipped with hold open function supplied and installed by Departmental Representative
 - Door co-ordinator
 - Full height metal astragal
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
- Hardware Set H5 (Storeroom Function):**
 - Lever lockset, storeroom function supplied and installed by Departmental Representative
 - Electric strike, card reader, door contact supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
- Hardware Set H6 (Card Reader):**
 - Lever lockset, storeroom function supplied and installed by Departmental Representative
 - Electric strike, card reader, door contact supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, non-removable pins, 1 1/2 pair
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
- Hardware Set H7 (Secure Room):**
 - Lever lockset, storeroom function supplied and installed by Departmental Representative
 - Electric strike, card reader, door contact supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Full mortise, five knuckle, ball bearing hinges, non-removable pins, 1 1/2 pair
 - Aluminum interlocking threshold with hook strip installed on door
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
- Hardware Set H8 (Storeroom Function, Exit Device with Door Closer - Double Doors):**
 - Active Leaf:
 - UL listed panic exit hardware with lever lockset, storeroom function outside c/w integrated automatic concealed flush bolts, top and bottom, supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer equipped with hold open function supplied and installed by Departmental Representative
 - Door Contact supplied and installed by Departmental Representative
 - Door co-ordinator
 - Full height metal astragal
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
- Hardware Set H9 (Double Suit Entry):**
 - Active Leaf:
 - Lever lockset, storeroom function supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Door co-ordinator
 - Full height metal astragal
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
- Hardware Set H10 (Barrier Free Non Latching):**
 - Lever set, Dummy function (non latching) supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Concealed flush bolts, top and bottom
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
- Hardware Set H11 (Exit Only with Panic Bar):**
 - UL listed panic exit hardware, exit only, no outside trim supplied and installed by Departmental Representative
 - UL listed panic exit hardware, exit only, no outside trim supplied and installed by Departmental Representative
 - Door contact supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, non-removable pins, 1 1/2 pair
 - Clear rubber door silencers
- Hardware Set H12 (Washroom with Push):**
 - Push and D-shaped pull hardware
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
 - Kick plate (on push side of door)
 - 615mm wide by 305mm high metal door grill
- Hardware Set H13 (Washroom with Indicator):**
 - Lever set, Dummy function (non latching) supplied and installed by Departmental Representative
 - Mortise level lockset, restroom function with "occupied" indicator and emergency key supplied and installed by Departmental Representative
 - Heavy duty UL listed barrier-free door operator supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
- Hardware Set H14 (Suite Entry Card Reader):**
 - Lever lockset, storeroom function supplied and installed by Departmental Representative
 - Electric strike, card reader, door contact supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, non-removable pins, 1 1/2 pair
 - Latch protector supplied and installed by Departmental Representative
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
- Hardware Set H15 (Passage Function with Door Closer):**
 - Lever set, passage function supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair per door
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish

- Inactive Leaf:**
 - UL listed panic exit hardware with lever dummy set outside c/w integrated automatic concealed flush bolts, top and bottom, supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer equipped with hold open function supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish

- Inactive Leaf:**
 - UL listed panic exit hardware with lever dummy set outside c/w integrated automatic concealed flush bolts, top and bottom, supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer equipped with hold open function supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, non-removable pins, 1 1/2 pair
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish

- Inactive Leaf:**
 - UL listed panic exit hardware with lever dummy set outside c/w integrated automatic concealed flush bolts, top and bottom, supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer equipped with hold open function supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, non-removable pins, 1 1/2 pair
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish

- Inactive Leaf:**
 - Dummy set supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Concealed flush bolts, top and bottom
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish

- Hardware Set H10 (Barrier Free Non Latching):**
 - Lever set, Dummy function (non latching) supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Concealed flush bolts, top and bottom
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish

- Hardware Set H11 (Exit Only with Panic Bar):**
 - UL listed panic exit hardware, exit only, no outside trim supplied and installed by Departmental Representative
 - UL listed panic exit hardware, exit only, no outside trim supplied and installed by Departmental Representative
 - Door contact supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, non-removable pins, 1 1/2 pair
 - Clear rubber door silencers

- Hardware Set H12 (Washroom with Push):**
 - Push and D-shaped pull hardware
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
 - Kick plate (on push side of door)
 - 615mm wide by 305mm high metal door grill

- Hardware Set H13 (Washroom with Indicator):**
 - Lever set, Dummy function (non latching) supplied and installed by Departmental Representative
 - Mortise level lockset, restroom function with "occupied" indicator and emergency key supplied and installed by Departmental Representative
 - Heavy duty UL listed barrier-free door operator supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish

- Hardware Set H14 (Suite Entry Card Reader):**
 - Lever lockset, storeroom function supplied and installed by Departmental Representative
 - Electric strike, card reader, door contact supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, non-removable pins, 1 1/2 pair
 - Latch protector supplied and installed by Departmental Representative
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish

- Hardware Set H15 (Passage Function with Door Closer):**
 - Lever set, passage function supplied and installed by Departmental Representative
 - Heavy duty UL listed door closer supplied and installed by Departmental Representative
 - Heavy duty ball bearing hinge, 1 1/2 pair per door
 - Clear rubber door silencers
 - Floor mounted door stop to suit floor finish
