Supplied by Departmental Representative
- Porcelain Tile - Corridor  
Colour: Beige  
Size: 305mm x 610mm
- Indicates direction of flooring pattern.

Floor Finish Drawing Notes:

- 1 Contractor to install carpet on raised floor and mobile shelving.
- 2 Contractor to remove existing partial slate tiles and provide new full tiles.
- 3 Contractor to install new slate tiles supplied by Departmental Representative and align with existing slate tiles.
- 4 Contractor to install 102mm thick colour contrasting strip at bottom and top of ramp in C3.

Floor Finish General Notes:

1. Existing slate to be prepped, leveled and made ready to receive new floor finish per appropriate Manufacturer's instructions. Refer to specifications.
2. Carpet accents and other flooring patterns to be chalked for Department Representative approval prior to commencing work.
3. When two flooring finishes meet at a doorway, joint to be covered when door is in closed position.
4. Supply and install 102mm high surged top carpet baseboard to match C1. Carpet baseboard to be installed on all existing/new partitions, perimeter walls, core wall, columns, etc. Contractor to provide carpet surging samples to Department Representative for approval prior to ordering. Contractor to staple carpet baseboard to applicable partitions. Ensure staples are not visible. Do not glue carpet baseboard. Contractor to ensure all carpet baseboard endjoints are secured to partitions, etc.
5. Where linoleum meets carpet, supply and install transition strip. Department Representative to select from standard colour range.
6. Where VCT flooring installed, supply and install 102mm high vinyl baseboard. Department Representative to select from standard colour range.
7. Where ceramic flooring tile meets carpet, supply and install metal transition strip. Department Representative to select from standard colour range.
8. Linoleum flooring welding rods options to be provided for Department Representative's selection.
9. Contractor to protect new floor finishes using POLY 6 mil (minimum).
10. New flooring to continue wall to wall, under millwork, sinks, etc.
