### AMENDMENT #004

The intent of this amendment is to answer the following questions:

- Q1.** Annex 1 to part 4 – is there a version of this document allowing us to type in our answers? Presently it is locked. Would make it much easier than having to handwrite everything.
- A1.** No. Annex 1 to Part 4 will remain locked for this solicitation.
- Q2.** Major Equipment Specifications: page 5, page 9 and page 11 – “single electrical connection” comment should be replaced with “single or multiple electrical connections to best suit existing services and minimize cost to upgrade to new dishwasher.”
- A2.** Agreed with the suggestion and this is why multiple electrical connections is already part of the general specifications; however, if the Offeror can provide single connection, the Offeror will get an additional point.

**NOTE:**
