The following questions were submitted by potential bidder. They appear in their original format and language. The Technical Authorities responses appear in ***BOLD ITALIC***.

Q1. Regarding the following statement. ***“All equipment must be compatible with Honeywell Enterprise Building Integrator R410 (EBO-R410)/Digital Video Manager 500 (DVM-500).”*** The question is this.. We do not have access to Honeywell Enterprise Building Integrator product however PWGSC/NRC have specified the exact model numbers needed. Has PWGSC/NRC verified that all the products required in the Annex B outline are compatible?

A1. ***We confirm that NRC has verified that all the products identified in the RFP are compatible with the Honeywell Enterprise Building Integrator.***

Q2. Is installation required with this requirement?

A2. ***This order for supply only.***

Q3. I just got word from a potential bidder that the part numbers provided for items 1 and 7 are no longer available from AXIX and have been replaced. Can you please contact the T.A and have them provide me with the replacement part numbers.

A3. ***With regards to part numbers. NRC has confirmed with the manufacturer that the part number in line 1 is still correct. The part number in Line 7 should reflect 0990-001***
