Canada may edit the question(s) or may request that Offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Offerors. Enquiries not submitted in a form that can be distributed to all Offerors may not be answered by Canada.

2.4 Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Offerors.

PART 3 - OFFER PREPARATION INSTRUCTIONS

3.1. Offer Preparation Instructions

If there is a discrepancy between the wording of the soft copy and the hard copy, the wording of the hard copy will have priority over the wording of the soft copy.

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;

To assist Canada in reaching its objectives, Offerors should:

- 1) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

Section I: Financial Offer

Offerors must submit their financial offer in accordance with the Annex B, Basis of Payment. The total amount of Applicable Taxes must be shown separately.

Annex B - Working Documents (Excel File)

The Offerors will complete the Basis of Payment using the Excel file and ensure that it has been properly filled out and contains all required information.

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

4.1 Evaluation Procedures

- (a) Offers will be assessed in accordance with the entire requirement of the Request for Standing Offers including the technical and financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada will evaluate the offers.

4.1.1 Financial Evaluation

4.1.1.1 Mandatory Financial Criteria

The Offeror must complete and submit with its offer, Annex B - Basis of Payment, in Canadian funds. In the event that a bidder does not provide a price for any item PWGSC will, for assessment purposes only, substitute the highest price quoted (by another bidder) for the item for which they did not provide a quote. If all bidders fail to provide a price for a particular item, that item will be eliminated for the assessment. This will be for the purposes of obtaining an aggregate total for each bidder.

Offers meeting the requirements of the Mandatory Financial Evaluation will be assessed to arrive at an Aggregate Value based on the estimated usage provided herein at Annex "B" and "FOB Destination", as indicated.

The estimated usage provided herein is for the sole purpose of establishing an evaluation tool, based only on best estimate and in no way reflect the actual usage's expected or any commitment on the part of the Crown.

Offers will be evaluated based on the prices detailed in Annex B - Basis of Payment.

Definition of Extended Price: The line item prices are multiplied by the estimate usage to arrive at an extended price.

Definition of Aggregate Value: The Aggregate Value is the sum of all the extended prices.

4.1.2 SACC Manual Clause

SACC Manual Clause M0220T (2013-04-25), Evaluation of Price

4.1.3 Pack or Unit Size

If a requested size is no longer available, it is up to the offeror to contact the Contracting Authority no later than seven (7) calendar days prior to the closing date with a proposed alternative size.

Where changes to pack or unit sizes are proposed the following must be met:

- a. The proposed change is necessary because the original pack size specified is unavailable in the industry; and
- b. The new proposed size reflects the next size up or down (from the original size specified) that is available in the industry; and / or
- c. There is less than a 15% difference between the original size specified and the proposed alternative size.

Any changes to the product pack and or size will be made by the Contracting Authority through an amendment to the Request for Standing Offer document. The offeror cannot substitute sizes in their offer that have not been approved.

4.2 Basis of Selection

- 4.2.1** a) is the intention of Canada to issue a single Standing Offer for this requirement.

For each Standing Offer period, bids will be assessed to arrive at an aggregate value based on the estimated usage provided herein at Annex A, FOB Destination as indicated. The estimated usage provided herein is for the sole purpose of establishing an evaluation tool and are based only on best estimates. They may not reflect the actual usage and do not represent any commitment on the part of Canada.

The Offeror's Unit Prices will be multiplied by the corresponding estimated usage to arrive at an extended price. In the event that a bidder does not provide a price for any item PWGSC will, for assessment purposes only, substitute the highest price quoted (by another bidder) for the item for which they did not provide a quote. If all bidders fail to provide a price for a particular item, that item will be eliminated from the assessment. This will be for the purposes of obtaining an aggregate total for each bidder.

- b) The compliant Offeror(s) selected for issuance will be given written notification to provide the information required in 5-2 entitled "Certifications Precedent to Issuance of the Standing Offer" by a specified date and time, unless the information has already been provided in the RFSO submission. Should the Offeror(s) fail to provide all the information required by the date and time specified, the bid will be considered non-compliant and given no further consideration. The compliant Offeror with the next lowest Aggregate Value will be notified. This process will be repeated until the Certifications Precedent to Issuance of Standing Offer have been met.

- c) Upon Compliance with 5 entitled "Certifications Precedent to Issuance of the Standing Offer", the Standing Offer(s) will be issued to the compliant Offeror(s) selected for issuance of a Standing Offer.

PART 5 – CERTIFICATIONS AND ADDITIONAL INFORMATION

Offerors must provide the required certifications and additional information to be issued a standing offer.

The certifications provided by Offerors to Canada are subject to verification by Canada at all times. Unless specified otherwise, Canada will declare an offer non-responsive, will have the right to set-aside a standing offer, or will declare a contractor in default if any certification made by the Offeror is found to be untrue whether made knowingly or unknowingly during the offer evaluation period, during the Standing Offer period, or during the contract period.

The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications.
