

5000025259 - ADDENDUM #1

1. GENERAL QUESTIONS & ANSWERS

Q1. *"We would like to confirm where the condensate for the cold room and freezer can be taken for the new evaporators inside the room. How far from the room can we expect the connection for this drain?"*

A1. See drawing: WQMS Freezer_ADDENDUM_01.pdf

2. DRAWING CHANGES :

- Placement of condensing units;
- Routing of condensate lines.

3. ACCEPTABLE ALTERNATE

Below is a list of acceptable equipment alternates for this project:

Tag	Acceptable Alternate
CU5	COPELAND FJAF-0126 AIR-COOLED CONDENSING UNIT
