**Amendment 001 raised to increase the optional requirement in accordance with the CCG  
Summary of Work at Annex A:**

**From :** five (5) additional aluminium single pile platforms and five (5) additional 8ft X 10ft galvanized steel platform structures.

**To:** **ten (10)** additional aluminium single pile platforms and **ten (10)** additional 8ft X 10ft galvanized steel platform structures.

throughout the entire solicitation document, as detailed herein.

**Under Section 1.2 - Summary**

**Delete as shown.**

**Insert:**

**1.2 Summary**

To fabricate and deliver aluminium single pile platforms and 8ft X 10ft galvanized steel platform structures to the Department of Fisheries and Oceans (DFO), Canadian Coast Guard (CCG)'s Integrated Technical Services, Marine and Civil Infrastructure (MCI) of Victoria BC Canada in accordance with the requirement detailed herein.

The platform structures are to be used to providing a working platform for CCG crew on navigational aids in a marine environment. Upon delivery of the platforms CCG crews will be responsible for construction activities including the installation of these platforms.

Point of Delivery: All platforms must be delivered to the DFO/CCG Base at 25 Huron Street, Victoria BC Canada V8V 4V9.

A minimum of five (5) aluminium single pile platforms and five (5) 8ft X 10ft galvanized steel platform structures (referred to as "*Firm Requirement*") must be delivered to DFO/CCG Destination by no later than May 30, 2017 (Mandatory) based on an estimated contract award date of January 17, 2017.

The requirement also includes the option for DFO/CCG to purchase up to **ten (10)** additional aluminium single pile platforms and **ten (10)** additional 8ft X 10ft galvanized steel platform structures with similar specifications on an "as and when requested" basis (*referred to as "Optional Requirement"*) on or before March 31, 2018 in accordance with the lead time specified by the successful Bidder in its proposal.

These options will be raised as Requisition on Contracts (ROCs) in accordance with the process detailed herein, and will allow for adjustment to the firm pricing submitted e.g. due to minor design modifications requests from DFO/CCG and changes due to price adjustment in metal products.

Neither the Firm Requirement nor the Optional Requirement offer exchange rate fluctuation risk mitigation.

Canada is under no obligation to purchase all or part of the optional requirement stated herein.

The requirement is subject to the provisions of the [World Trade Organization Agreement on Government Procurement \(WTO-AGP\)](#), the [North American Free Trade Agreement \(NAFTA\)](#), and the [Agreement on Internal Trade \(AIT\)](#).

It is the responsibility of the Bidder to ensure that all addenda issued prior to solicitation closing have been obtained and addressed in the submitted bid.

Bidders intending to submit bids should obtain solicitation documents from the Government Electronic Tendering System (GETS) at <https://buyandsell.gc.ca/procurement-data/tenders> . Addenda, when issued, will be available on GETS. Bidders basing their submissions on solicitation documents obtained from other sources do so at their own risk.

For further information, please refer to the solicitation documents.

This PWGSC office provides procurement services to the public in English.

## **Under Section 7.2 - Optional Requirement “as and when requested” - Requisition on Contract (ROC)**

**Delete as shown.**

**Insert:**

### **7.2 Optional Requirement “as and when requested” - Requisition on Contract (ROC)**

The requirement also includes the option for DFO/CCG to purchase up to **ten (10)** additional aluminium single pile platforms and **ten (10)** additional 8ft X 10ft galvanized steel platform structures with similar specifications on an “as and when requested” basis (*referred to as “Optional Requirement”*) on or before March 31, 2018 in accordance with the lead time specified by the Contractor in its proposal.

These options will be raised as Requisition on Contracts (ROCs) in accordance with the process detailed herein, and will allow for adjustment to the firm pricing submitted e.g. due to minor design modifications requests from DFO/CCG and changes due to price adjustment in metal products.

The goods and services described in the ROC must be in accordance with the scope of the Contract.

Canada is under no obligation to purchase all or part of the optional requirement stated herein.

#### **7.2.1 Requisition on Contract (ROC) Process:**

1. The Project Authority will provide the Contractor with a description of the requirement using the "Requisition on Contract" form (ROC) specified in Annex C.
2. The ROC will contain the details of the activities to be performed, a description of the deliverables, and a schedule indicating completion dates for the major activities or submission dates for the deliverables. The ROC will also include the applicable basis (bases) and methods of payment as specified in the Contract.
3. The Contractor must provide the Project Authority within seven (7) calendar days of its receipt, the proposed total estimated cost for performing the ROC and a detailed breakdown of that cost, established in accordance with the Basis of Payment specified in the Contract.
4. The Contractor must not commence work until a ROC authorized by the Project Authority has been received by the Contractor. The Contractor acknowledges that any work performed and goods delivered before an authorized ROC has been received will be done at the Contractor's own risk.

---

### **7.2.2 Requisition on Contract Limit**

The DFO/CCG Project Authority may authorize individual Requisition on Contracts up to a limit of **\$25,000.00**, Applicable Taxes included, inclusive of any revisions.

Any ROC to be issued in excess of that limit must be authorized by the PWGSC Contracting Authority before issuance.

### **7.2.3 Canada's Obligation - Portion of the Work – ROC**

Canada's obligation with respect to the portion of the Work under the Contract that is performed through Requisitions on Contract (ROC) is limited to the total amount of actual tasks performed by the Contractor.

### **7.2.4 Usage Reports – Contracts with ROCs**

The Contractor must compile and maintain records on its provision of goods and services to the federal government under ROC issued under the Contract.

The Contractor will provide usage reports within three (3) calendar days of the written request by the PWGSC Contracting Authority.

### **Reporting Requirement – Details**

A detailed and current record of all authorized ROCs must be kept for each contract with a ROC process. This record must contain:

#### **For each authorized ROC:**

- i. the authorized ROC or ROC revision number(s);
- ii. a title or a brief description of each authorized ROC;
- iii. the total estimated cost specified in the ROC, exclusive of Applicable Taxes;
- iv. the total amount, exclusive of Applicable Taxes, expended to date against each ROC;
- v. the start and completion date for each ROC; and
- vi. the active status of each ROC, as applicable.

#### **For all authorized ROCs:**

- i. the amount (exclusive of Applicable Taxes) specified in the contract (as last amended, as applicable) as Canada's total liability to the contractor for all authorized ROCs; and
- ii. the total amount,

### **Under Annex B – Basis of Payment – Financial evaluation table B.6**
