AMENDMENT 007

THE SOLICITATION AMENDMENT # 007 IS RAISED TO ANSWER QUESTIONS FROM THE INDUSTRY.

QUESTION # 005**Reference:****Question:**

This Solicitation is requesting professional services in a specialized domain (Oracle SOA and Oracle BPM) and it is our understanding that niche firms have the majority of the contracts (ie billable days) in this domain however these niche firms are not eligible to bid on this RFP. In the interest of receiving competitive bids, would the crown allow bidders to pool billable days with a single niche firm? By allowing pooling of billable days, the crown would assure itself the availability of specialized resources from both the bidder and the niche firm to meet its project requirements. To clarify, pooling of billable days is combining the billable days of the bidder with the billable days of the niche firm (ie proposed subcontractor).

Answer:

Combining the billable days of the bidder with those of a proposed subcontractor is not accepted. The bidder must use its own billable days billed to its clients.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
