Bidders who submit a bid agree to be bound by the instructions, clauses and conditions of the bid solicitation and accept the clauses and conditions of the resulting contract.

The 2003 (2016-04-04), Standard Instructions – Goods and Services – Competitive Requirements, are incorporated by reference into and form part of the bid solicitation, with the following modifications:

Due to the nature of the bid solicitation, bids transmitted by facsimile to PWGSC will not be accepted.

2.3 Enquiries - Bid Solicitation

All enquiries must be submitted in writing to the Contracting Authority no later than five (5) calendar days before the bid closing date. Enquiries received after that time may not be answered.

Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by Bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that the Bidder do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Bidders. Enquiries not submitted in a form that can be distributed to all Bidders may not be answered by Canada.

Any resulting contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

Bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their bid, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Bidders.

2.5 Availability of Drawings

Drawings are available upon request. Bidders are to email their request for drawings to: sylvain.beaulieu2@forces.gc.ca specifying the Solicitation File No. Bidders are responsible to request drawings early enough to ensure that the drawings are received (through regular mail) before bid closing. Drawings for items 3, 4 and 5 referred to in this Request for Proposal will be forwarded to interested bidders as a Technical Data Package (TDP) under a separate cover.

It should be noted that the drawings have been inadvertently identified as Proprietary to the Contractor who developed the drawings. The Crown has received official correspondence from the Contractor noting that these drawings have been misidentified and the Crown has unlimited rights to use these drawings in accordance with the Contract(s) under which the drawings were developed.

In order to receive a TDP, the proposed Bidder must return a signed copy of Annex "D" to the Contracting Authority on page 1 of this Request for Proposal. It is to be duly signed by a Senior representative of the company. The TDP will not be released to any bidder without receipt of the Non-Disclosure Agreement.
