Question #01:

Part 3 – Bid Preparation Instructions (3.1 Section 1: Technical Bid)

1. Can you please clarify what should be included here?
 - a. The Mandatory Technical Evaluation Criteria Table?
 - b. Supporting literature and brochures?
2. “Bidders should explain and demonstrate how they propose to meet the requirements and how they will carry out the work”
 - a. Is there a template or should this be a general statement?
 - b. “...how they will carry out their work.” – Is this with regards to the building process, the training process, etc.?

Answer #01:

As described in the RFP, bidders are requested to demonstrate how they meet the mandatory criteria, as listed in section 4.1.1.1 by using the Table 1- Mandatory Technical Evaluation Criteria and providing technical literature, product brochures or the necessary documentation to support compliance.

The sentence “Bidders should explain and demonstrate how they propose to meet the requirements and how they will carry out the work” is a general statement. Bidders are requested to provide all details in regards to the Mandatory Technical Evaluation Criteria and the how they will carry out the work as described in Annex A – Requirement.
