

IC401635 – Questions and Answers

We will not accept any other additional questions related to this requirement.

Q1. Can you tell me why it is being re-tendered. Did you get any response the last time.

A1. We didn't receive any compliant bids.

Q2. With reference to M3 – One of the client references projects must be for a Government of Canada organization - Would the client accept Federal, Municipal or Provincial government?

A2 One client reference must be Federal.

Q3. Must all work be performed onsite, or is it possible to perform a portion of the work offsite? If so, how much?

A3. Work is on-site.
