Question # 1

Given the considerable importance of this RFP, we would like to devote a considerable amount of time to preparing our submission, as befitting this important project. Regrettably, this considerable amount of time cannot be readily carved out from the busy pre-Christmas period.

As such, we are writing to respectfully ask if Veterans Affairs Canada would consider adjusting the submission deadline for this project to sometime during the middle of the first week of January, 2017.

Response # 1

Veterans Affairs Canada appreciates the constraints with respect to the closing date for this project. However, the National Survey 2016 is a high priority project with a very short timeframe for deliverables. As such Veterans Affairs Canada is unable to adjust the closing date for this project.
