### **Amendment No. 003**

This amendment is raised to 1) incorporate changes to the following sections of the RFSO: Appendix B – Price Proposal Form; and 2) provide responses to Requests for Clarification.

#### 1) Revisions to Appendix B – Price Proposal Form

Reference: Appendix B – Price Proposal Form

Proponents are hereby instructed to:

Delete: In its entirety.

Insert: Appendix B – Price Proposal Form – Revision 1 (appended to this amendment)

#### 2) Requests for Clarification

Q1: PRICE PROPOSAL, Laboratory Services (page 95 of 102)

2.1 Standard Proctor (6in. Test, total 6 tests) – is the “Cost Per Test” for a single test or for a total of 6 tests?

A1: Under cost per test; quote price for six (6) tests. Refer to 1) Appendix B – Price Proposal Form – Revision 1 above.

Q2: PRICE PROPOSAL, Laboratory Services (page 95 of 102)

2.5 Compressive Strength Tests and Reports (assume 10 test, standard cast cylinder, field report and report). Concrete testing is typically carried out in sets of 3 or 4 cylinders. Does the 10 tests identified indicate that a total of 10 cylinders for testing are to be included in the Cost per Report?

A2: Under cost per report; quote price for ten (10) compressive strength test reports. Each test report to comprise of 3 cylinders. Refer to 1) Appendix B – Price Proposal – Revision 1 above.

Q3: Page 94 of 102, Appendix B, in Number 5 the wording “There must be neither no \$0 value nor NIL value” appears to have a double negative. Please provide correct wording.

A3: To clarify, Proponents must provide a Fixed Hourly Rate for each Category of Personnel and a Unit Price for each Category of Service. A \$0 value or NIL value must not appear in Price Proposal. Failure to insert an hourly rate or unit price for each category of personnel/service will render your proposal non-responsive.

Q4: Page 95 of 102, Item 2.5 states: “(Assume 10 test, standard cast cylinder, field report and report)” Should this say 10 tests? Is this a cost per cylinder or cost per set of cylinders?

A4: Refer to A2.

---

Q5: Page 95 of 102, Item 2.7: Is this a gradation of combined aggregates from the asphalt plant or an asphalt extraction and gradation?

A5: It is asphalt extraction and gradation.

Q6: Page 95 of 102, Item 3.0 Drilling (Rig) Mobilization and Rental Charges. Drill rig mobilization is normally charged per kilometre, not as a cost per day. Please clarify.

A6: Refer to 1) Appendix B – Price Proposal – Revision 1 above.

Q7: Price Proposal – Section D Equipment Rental: Laboratory Services – Line Item 3.0 – Drilling (Rig) Mobilization and Rental Charges

Can you please confirm that the Cost per Day is based on a standard 8hr day. In addition, mobilization fees will vary greatly based on assignment location. Can mobilization be provided on a per- assignment basis?

A7: A day is eight (8) hours of a week day. Refer to 1) Appendix B – Price Proposal – Revision 1 above.

Q8 : Price Proposal – Section B Concrete: Laboratory Services – Line Item 2.5 – Compressive Strength Tests and Reports

*Can you please confirm that the Unit Price “Cost per Report” is for the laboratory compressive strength test and reporting per concrete cylinder (The description includes the assumption for 10 tests and a field report).*

A8: Refer to A2.

All other terms and conditions remain the same.

## **APPENDIX B - PRICE PROPOSAL FORM**

### **REVISION 1**

## APPENDIX B - PRICE PROPOSAL

### INSTRUCTIONS

1. Complete the price proposal form and submit in a separate sealed envelope, with the Proponent's name, Solicitation Number, and "Price Proposal Form" typed on the outside.
2. Price proposals are not to include HST and will be evaluated in Canadian Dollars.
3. Proponents are not to alter or add information to the form.
4. In order to ensure that fair and competitive hourly rates are received, the following requirements must be strictly adhered to: Proponents **must** provide an hourly rate for **each** category of personnel. In the event that the firm consists of fewer personnel than listed, provide an hourly rate that corresponds with each position listed. The hourly rate provided must be equal to or greater than the hourly rate provided for the position listed below it. For example, if the firm does not have an Intermediate Personnel, the hourly rate provided must be equal to or greater than the hourly rate provided for the Junior Personnel. **There must be neither \$0 value nor NIL value. Failure to insert an hourly rate for each category of personnel will render your proposal non-responsive.**
5. In order to ensure that fair and competitive unit prices are received, the following requirements must be strictly adhered to: Proponents **must** provide a Fixed Hourly Rate for **each** Category of Personnel and Unit Price for **each** Category of Service. **There must be neither no \$0 value nor NIL value. Failure to insert an hourly rate and unit price for each category of personnel/service will render your proposal non-responsive.**
6. The Fixed Hourly Rates and Unit Prices shall govern in establishing the Total Extended Amounts and/or Subtotals. Any arithmetical errors in this Appendix will be corrected by Canada
7. The hourly rates identified for all disciplines, including sub-consultants and specialists and unit prices for all laboratory services will be for the duration of the Standing Offer.
8. Fixed hourly rates for each category are to be provided in column B and are then multiplied by the weight factor in column A (provided for evaluation purpose only).
9. **Calculation of Total Evaluated Price**  
For this Standing Offer the Total Evaluated Price (Price Proposal) will be established as follows:  

$$\begin{array}{l} \text{Labour Category Subtotal} \times 70\% \\ + \text{Laboratory Services Subtotal} \times 30\% \\ \hline \text{Total Evaluated Price} \end{array}$$

## ONTARIO REGION

Name of Proponent: \_\_\_\_\_

Address: \_\_\_\_\_

### 1. LABOUR CATEGORY

Category of Personnel	Weight Factor (A)	Fixed Hourly Rate (B)	Total (A X B)
1.1 Project Manager/Principal Engineer	5	\$	\$
1.2 Senior Engineer	20	\$	\$
1.3 Intermediate Engineer	30	\$	\$
1.4 Junior Engineer	15	\$	\$
1.5 Geologist/Hydrogeologist	10	\$	\$
1.6 Technologist	15	\$	\$
1.7 Administrative Support	5	\$	\$
<b>Subtotal for 1. Labour Category</b>	<b>100</b>		\$

### 2. LABORATORY SERVICES

Category of Service	Unit Price
<b>A. Soils and Aggregates</b>	<b>Cost</b>
2.1 Standard Proctor (6 in. Test, total 6 tests)	\$
2.2 Sieve Analysis (Per Test)	\$
2.3 Hydrometer Analysis (Per Test)	\$
2.4 Water Content (Per Test)	\$
<b>B. Concrete</b>	<b>Cost</b>
2.5 Compressive Strength Tests and Reports (Assume 10 compressive strength test reports, 3 cast cylinder per test)	\$
<b>C. Asphalt</b>	<b>Cost</b>
2.6 Asphalt Content (Per Test)	\$
2.7 Aggregate Gradation (Per Test)	\$
2.8 Full Marshal Compaction and Bulk Density (Per Test)	\$
2.9 Asphalt Air Voids (Per Test)	\$
<b>D. Equipment Rental – Field Testing</b>	<b>Cost</b>
3.0 Drilling (Rig) Mobilization per km (assume 200 km)	\$
3.1 Drilling (Rig) Daily Rental Charges, for two (2) eight (8) hour days	\$
