(Derived from - Provenant de: B4008T, 2014/06/26)

1.3 Debriefings

Bidders may request a debriefing on the results of the bid solicitation process. Bidders should make the request to the Contracting Authority within 15 working days from receipt of the results of the bid solicitation process. The debriefing may be in writing, by telephone or in person.

1.4 Trade Agreements

"The requirement is subject to the provisions of the North American Free Trade Agreement (NAFTA), and the Agreement on Internal Trade (AIT)."

PART 2 - BIDDER INSTRUCTIONS

2.1 Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the bid solicitation by number, date and title are set out in the [Standard Acquisition Clauses and Conditions Manual](https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual) (<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) issued by Public Works and Government Services Canada.

Bidders who submit a bid agree to be bound by the instructions, clauses and conditions of the bid solicitation and accept the clauses and conditions of the resulting contract.

The **2003** (2016/04/04) Standard Instructions - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the bid solicitation.

2.1.1 SACC Manual Clauses

SACC Reference	Section	Date

2.2 Submission of Bids

Bids must be submitted only to Public Works and Government Services Canada (PWGSC) Bid Receiving Unit by the date, time and place indicated on page 1 of the bid solicitation.

PLEASE NOTE: THIS IS NOT A PUBLIC OPENING. TENDER RESULTS WILL NOT BE RELEASED PRIOR TO AWARD.

Offers by facsimile will be accepted. Facsimile Number is (902) 566-7514.

2.2.1 Improvement of Requirement During Solicitation Period

Should bidders consider that the specifications or Statement of Work contained in the bid solicitation could be improved technically or technologically, bidders are invited to make suggestions, in writing, to the Contracting Authority named in the bid solicitation. Bidders must clearly outline the suggested improvement as well as the reason for the suggestion. Suggestions that do not restrict the level of competition nor favour a particular bidder will be given consideration provided they are submitted to the Contracting Authority at least 7 days before the bid closing date. Canada will have the right to accept or reject any or all suggestions.

(Derived from - Provenant de: A9076T, 2007/05/25)

2.3 Enquiries - Bid Solicitation

All enquiries must be submitted in writing to the Contracting Authority no later than 7 calendar days before the bid closing date. Enquiries received after that time may not be answered.

Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by Bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that the Bidder do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Bidders. Enquiries not submitted in a form that can be distributed to all Bidders may not be answered by Canada.

2.4 Applicable Laws

Any resulting contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in **New Brunswick**.

Bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their bid, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Bidders.

PART 3 - BID PREPARATION INSTRUCTIONS

3.1 Bid Preparation Instructions

Canada requests that Bidders provide their bid in separately bound sections as follows:

Section I: Technical Bid (3 hard copies)

Section II: Financial Bid (1 hard copy)

Section III: Certifications (1 hard copy)

If there is a discrepancy between the wording of the soft copy and the hard copy, the wording of the hard copy will have priority over the wording of the soft copy.

Prices must appear in the financial bid only. No prices must be indicated in any other section of the bid.

Canada requests that Bidders follow the format instructions described below in the preparation of their bid:

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to the bid solicitation.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process [Policy on Green Procurement](http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, Bidders should:

- 1) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

Section I: Technical Bid

In their technical bid, Bidders should explain and demonstrate how they propose to meet the requirements and how they will carry out the Work.

Section II: Financial Bid

Bidders must submit their financial bid in accordance with the Basis of Payment. The total amount of Applicable Taxes must be shown separately.

ANNEX "A"

STATEMENT OF REQUIREMENT

PROCUREMENT 15 KOMITICS

BACKGROUND

37 CBG Artic Response Company Group (ARCG) has conducted Artic and Sub-Artic Exercises since 2009. Over that time the ARCG has used a combination of heavy weight, high sided wooden komitics (toboggans towed by LOSV(Light Over Snow Vehicle)) and medium weight black resin komitics to move essential kit and recover broken LOSVs. As the ARCG matured, static training events in the Goose Bay area have developed into long range patrols (700 +KM) in the tundra north of Goose Bay. The black resin komitics have proven to be the workhorse of the komitic fleet as the wooden komitics are heavy, prone to structural failure and require significant maintenance after each long range patrol.

OBJECTIVES

Given the wooden komitics poor track record, the ARCG deployed last year as a trial. The 2016 After Action Report identified that the lighter, high side Super Industrial Boggans or a similar product should be purchased to fill the role of the wooden komitics.

SCOPE OF PROCURMENT (Mandatory)

The scope of procurement is to purchase 15 Super Industrial Boggans or a similar komitic variant that meets the following specifications:

- a. Komitic main body is of fiberglass construction with a Teflon under belly;
- b. Komitic main length of at least 105”;
- c. Komitic main body internal width of at least 35”;
- d. Komitic main body depth of at least 24”;
- e. A-arm is one piece construction
- f. A-arm is fitted with a standard snowmobile (LOSV) hitch.
- g. Form fitting tarp that encloses the komitic main body; and
- h. Main body will have side rails for tie down.

DELIVERABLES

- 4. Request delivery of toboggans to 5 CDSG Gagetown, Base Supply, B-10, Oromocto (N.-B.), E2V 4J5, NLT 31 March 17.

ANNEX "B"

BASIS OF PAYMENT

Evaluation of Price: The price of the bid will be evaluated in Canadian dollars, the Goods and Services Tax or the Harmonized Sales Tax excluded, FOB destination (Oromocto, NB, Canada), Canadian Customs Duties and Excise Taxes included.

Basis of Selection:

A bid must comply with the requirements of the bid solicitation and meet all mandatory criteria to be declared responsive. The responsive bid with the lowest evaluated price will be recommended for award of a contract.

Description	Quantity/ U of I	Unit Price	Extended Price
Super Industrial Boggans or a similar komitic variant as specified in Annex A - Delivered Date : March 31, 2017	15	\$ _____	\$ _____

If the complete specifications and/or descriptive literature are not submitted as requested, the Contracting Authority will so inform the bidder and provide the Bidder with a time frame within which to meet this requirement.
