Amendment #002 – Question received for Nitrogen Generator for CFB Trenton Tire Shop

1. Can a Site Visit be provided?

Answer: Optional Site Visit

It is recommended that the Bidder or a representative of the Bidder visit the work site. Arrangements have been made for the site visit to be held at 8 Wing Trenton, Astra, Ontario on 11 January 2017. The site visit will begin at 10:00 a.m. (EST), Bidder are to meet at Bldg 22, 72 Polaris Ave, Astra, Ontario to be escorted to the site..

Bidders are requested to communicate with the Contracting Authority no later than three (3) days before to confirm attendance and provide the name(s) of the person(s) who will attend. Bidders may be requested to sign an attendance sheet. Bidders who do not attend or do not send a representative will not be given an alternative appointment but they will not be precluded from submitting a bid. Any clarifications or changes to the bid solicitation resulting from the site visit will be included as an amendment to the bid solicitation.

2. What size Air Compressor will you have available on-site to provide the generator with clean instrument quality compressed air? I'll need to know the available inlet conditions in CFM & PSI to the generator itself.

- Our compressor is an Omega TK-5080V-01M. It's a 5hp 230v 2 amp single phase delivering 150 working psi with an 80 gallon capacity. Link:
- http://www.ajfluidair.ca/text_files/omega/OmegaCompressorCatalogue.pdf

1) Your listed required PSI Discharge is shown as 0 – 300psi. The inlet pressure to the generator directly effects the outlet pressure of the generator. Please let me know what your MINIMUM discharge pressure requirement is for tire filling.

- Our minimum required discharge pressure is 250 psi which is needed to seat the tire beads on the largest of the tires we work with.

2) I see your requiring On-Site training for the generator. We're located in Tampa, FL. Please let me know if you need me to figure flying someone up to you to provide this training.

- Yes, that would be necessary.
