This amendment has been raised to respond to the following question:

Question:

Within the 'Architectural & Engineering Services – Terms of Reference' document, section 2.2.1 Services does not reference a Schematic Design Phase, nor does the project schedule. There are however, two references to a schematic design phase, one on p. 12, Section 2.3.2.6, and one on p.21, Section 3.1.13.1. Are these two references in error?

Answer:

Those two references to a Schematic Design phase are in error, since there will be no schematic design phase on this project.

All other terms and conditions remain unchanged.
