This Solicitation Amendment No. two (2) is raised to include the following addendum no. 2.

The following addendum to the tender documents is effective immediately. This addendum shall form part of the contract documents.

All other terms and conditions remain the same.

Addendum No. 2

QUESTIONS AND ANSWERS

Q2: What is the estimated quantity for the steel pipe piles? In the unit price table it indicates 14 as the quantity, however on drawing M2 of 3 there are 18 pipe piles illustrated.

A2: The estimated quantity of required pipe piles is 14 as indicated in the unit price table. The 4 steel pipe piles indicated where there's no floats are not required.

Q3: Are there any specifications or details of the cathodic protection for the steel pipe piles? Drawing M3 of 3 indicates the elevation of the anode but no welding details are provided.

A3: Please see attached detail.

Q4: Is there any significant existing cribwork that will conflict with the installation of the new pipe pile guides?

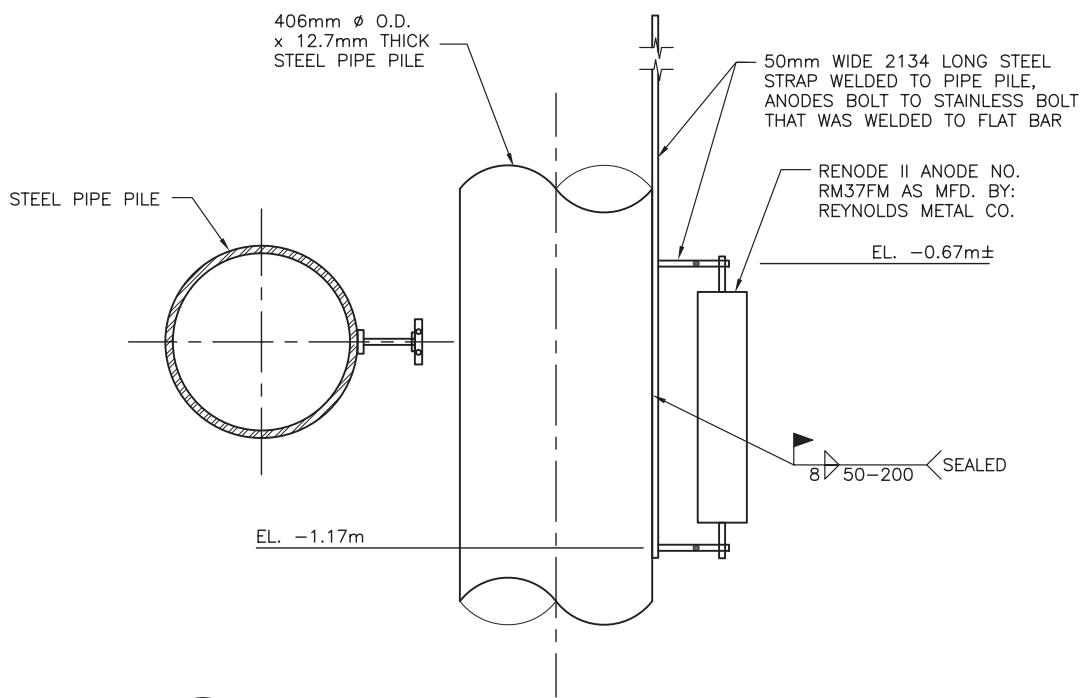

A4: Contractor is responsible to view the construction site prior to bidding to determine if any obstruction is in the way of the new installations.

Q5: Is there any dredging as part of this contract? As illustrated in Section A on drawing M1 of 3 indicates a dredge line to elevation -3.0m.

A5: No dredging is required under this contract.

Q6: The tender form notes that for item 2 "Steel Pipe Piles" There will be 14 units. The drawings show 18 pipe pile. Are we to assume that the two floats identified in addendum 001 are not to be supplied by others or installed and that the associated 4 pipe pile are not required?

A6: Please see question and answer 2. Correct. Two additional floats identified in addendum 001 are not be supplied by the Contractor or by others. The additional 4 pipe piles are not required. Unit price table is correct.

PIPE PILE – CATHODIC PROTECTION
