Revision #001 to Solicitation 01896-17R004/A is raised to address the following:

- Q1: Currently in Annex "A" it specifies under the "Installation, Training, and Service" section, point 2, that Training must be complete by 4:00 PM March 31. This is also the requested delivery day of the equipment. *Would it be possible to change this point to read something along the line of point 4, where training to be provided within 15 days of receipt of equipment, or possibly training to be completed by April 15, at a time specified by Canada?* This would give us some flexibility to offer training when it is best for the end user, in case someone is away or there is a better time for them.
- A1: Under Annex A – Installation, Training and Service - No. 2 (training) can be changed to "Training must be completed within 15 days of receipt of equipment as specified by Canada."
- Q2: When we originally quoted this we specified on our quote a PO must be received by Dec 15, 2016 to ensure delivery by March 31, 2017. This product has a fabrication lead time of about 12 weeks. Depending on when a PO is issued we will not likely be able to fabricate this by the 31st of March, 2017. Can you please discuss with your client?
- A2: We have come to the agreement that we would like the Mixograph to be delivered by 4:00pm CDST, March 31st, 2017.

Please refer to 6.6.2 Single Payment

- DELETE: SACC Manual Clause H1000C (2008-05-12) Single Payment

Please refer to Annex A – Installation, Training and Service for the following revisions:

- DELETE: 2. Training must be completed by 4:00 P.M., CDST, March 31st, 2017.
- INSERT: 2. Training must be completed within 15 days of receipt (no later than April 15th, 2017) of equipment as specified by Canada.

Please refer to Annex B – Basis of Payment

- DELETE: Item #3 - FOB Destination and delivery charges
- INSERT: Item #3 – FOB Destination and delivery charges on or before March 31st, 2017
- DELETE: Item #4 - Installation and all applicable set-up charges, assembly & installation on all applicable components and Training
- INSERT: Item #4 - Installation and all applicable set-up charges, assembly & installation on all applicable components and Training within 15 days of receipt of equipment

All terms and conditions shall remain the same.
