

Amendment 001

This amendment is raised to answer questions received against this RFI.

Questions and Answers

Q1: Reference: RFI, paragraph 6

Estimated Project Schedule indicates that the Pre-qualification will be conducted simultaneously with the Industry Engagement. Can Canada elaborate on the format and the evaluation criteria of Pre-qualification, and how those two, Engagement and Pre-qualification, will relate? Will the subsequent RFP be published on buyandsell or will it be issued directly only to the pre-qualified Proponents?

A1: At this time, Canada cannot elaborate on the format and the evaluation criteria of Pre-qualification, more details to follow in the new year. The subsequent RFP will only be issued directly to the pre-qualified Proponents.

Q2: Reference: RFI, paragraph 6

When and how will Canada announce more precise dates for the Industry Engagement Session?

A2: In the new year, Canada will announce more precise dates on BuyandSell via this RFI.

Q3: Reference: CoS paragraph 5.2

At what stage of the process will all the CI-IPT members be known?

A3: All CI-IPT members will be known after contract award.

Q4: Reference: CoS paragraph 6.1

ISO 9005 relates to nuclear energy sector. Can Canada clarify or confirm that this is a typo in CoS document?

A4: Canada confirms that this is a typo, it should be ISO 9001.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED AND IN FULL EFFECT.
