Annex A

Bidders wishing to submit their bid by the closing date and at the closing location indicated in the Invitation To Tender Notice of solicitation number FP802-160319 or if so applicable, indicated in previous addendum(s) must also consider the following questions and answers in their bid.

<u>Question and Answer number 5, 6, 7, 8, 9 & 10</u>

Question #5

Does the tower base have easy access for the installation equipment?

Answer #5: Yes.

Question #6

Is ready mixed concrete readily available?

Answer #6: Yes.

Question #7

Is power for the lighting system available at the base of the tower?

Answer #7: No, power is available in the basement and cables will need to be routed through the crawlspace and basement to reach the fuse box.

Question #8

Is a wave guide bridge required?

Answer #8: No, a wave guide bridge is not required.

Question #9

Does the lighting system require a controller/monitor?

Answer #9: No, the lighting system does not require a controller/monitor .

Question #10

Will DFO provide a surveyor report for pad location?

Answer #10: No, the exact tower location will be pointed out on site by Coast Guard representative.
