Annex G

Optional Services – Additional Funding

Canada has the option to acquire the services described in the Project Brief under the same terms and conditions and at the prices or rates stated in the Contract. The option may be exercised by the Contracting Authority and will be evidenced, for administrative purposes only, by a contract amendment.

Canada may increase the estimated construction budget of \$16,800,000, by up to an additional \$8,400,000. Should Canada exercise this option prior to March 31, 2020 the contractor will perform the work at the same percentage fee identified in the Price Proposal. After this date, Canada may, upon request, revise the percentage fee in its sole discretion.
