**Subject:** Invitation to Tender: FP802-160277

**Title:** **Two Exercise Development, Facilitation and Evaluation Consultants to assist in Incident Management Exercise Support Services**

**ADDENDUM: No. 2**

Further to the above mentioned Invitation to Tender documentation previously posted on the Government Electronic Tendering Site (GETS), BuyandSell.gc.ca, Addendum (**#2**) is hereby issued.

**Question 1:**

*Instead of proposing a single resource for each position, can a bidder propose a team approach for each English/French requirement to reduce travel costs to the CCG Regions? Besides providing better depth to the consulting support, allowing a team approach may result in travel savings by having consultants that are closer to some of the regions.*

**Answer 1:**

*CCG is looking for two individual resources at this time. If more than one resource from your organization meets the requirements, we encourage you to submit an individual bid for each resource.*

**All other Terms and Conditions for this requirement remain unchanged.**

**Tenderers are to acknowledge this Addendum by signing in the space provided below and enclosing a copy of this document with their tender submission.**
