Question 1:

Within section 3.2.4 Understanding of the Project, information is requested regarding “the relationship between this commission and any earlier studies completed for PWGSC.” Is this referring to any work our firm has done for PWGSC in the past? Question 2:

Section 3.2.6 Management of Services asks for information regarding response time, specifically “demonstrate how the response time requirements will be met.” Can you please clarify which requirements this is referring to?

Can you confirm if the table of contents and licensing would be included in the page count of the proposal?
