

Solicitation No.: 1000184641  
Amendment No.: 01

Amendment 01 is issued for the following purpose:

1. Respond to questions submitted:
2. Modify Mandatory Technical Criterion MT1
3. Make changes to the French version of the RFP.

### 1. Questions

Question

There will be two awards, are you only able to bid one resource?

Answer

Should a bidder propose more than one resource, only the proposed resource appearing first in the proposal will be evaluated.

Question

Would a Master of Science degree be considered acceptable?

Answer

Mandatory technical criterion MT1 is changed.

### 2. Mandatory Technical Criterion MT1

In SECTION II - BID EVALUATION PROCEDURES AND EVALUATION CRITERIA

In Article 2.2.1 Mandatory Criteria, criterion MT1 is deleted and replaced with:

MT1	The proposed resource must have at least a Bachelor degree relative to health or science. A copy of the degree must be provided with the bid package.
-----	---

### 3. There are no further amendments to the English version of the RFP.

All other terms and conditions of the RFP remain the same.
