Amendment 002

Amendment 002 is being issued to answer the following question

Question 1: The Price Proposal Form has a line item for the fee but the last page of the form includes an allowance of \$1000 for RS8.2 Surveying as well as RS8.3 Materials Testing. Can you clarify whether we are to provide a fee for RS8.2 Surveying or is this covered by the allowance included in the Price Proposal Form?

Answer 1: Both. We require the fee portion of surveying (whether it is by in house forces or by a sub-consultant) to be carried in the fees estimate. If there are out of pocket disbursements (supported by receipts) for non-fee related work, those costs go in Disbursements. Same applies to Materials Testing.

All other terms and conditions remain the same
