Services de Nettoyage et D'entretien au centre de l'Institut des sciences de la mer à Sidney
(Colombie-Britannique)

Question #1

How many staff work at the facility?

Answer #1

We have approximately 400 people working at this facility.

Question #2

What is the square footage of the facility?

Answer #2

Square footage is approximately 42,355 m² of floor space which includes the hanger, heated and non-heated dry storage that is not cleaned by the contractor.
