SOLICITATION AMENDMENT 015

This amendment is raised to:

1. To provide answers to Bidder’s questions in relation to this solicitation;
 2. Amend the Request for Proposal (RFP) as detailed in Appendix A-006 below
-

Question #31:

With Amendment 13, Canada has issued a revised Attachment 4.2 – Point Rated Technical Criteria (revised January 6, 2017). In this revised Attachment 4.2, RT2 requirement was amended to include the following new text *“The above tasks must be clearly marked and indicated in the resume to ensure ease of identification and validation for evaluation purposes”*. Including resumes is a new requirement and it should be noted that these resumes are not necessarily resumes of the resources being proposed in MTC3. As such, please confirm that the above change to RT2 is in fact a requirement as it will require additional effort as well as confirmation of the resource’s acceptance to include their CV within our bid response prior to submission (in the case of independent subcontractors in order to satisfy RFP clause 5.2 (a) (iii) under Part 5 – Certifications and Additional Information).

Answer #31:

The following statement has been deleted from the Attachment 4.2 (revised January 6, 2017) Point-Rated Technical Criteria, Criteria RT2 *“The above tasks must be clearly marked and indicated in the resume to ensure ease of identification and validation for evaluation purposes”*.

Appendix A-006

At Attachment 4.2 – Point Rated Technical Criteria (Revised January 6 2017), has been amended as follow:

DELETE The following statement has been deleted from revised Attachment 4.2, RT2 *“The above tasks must be clearly marked and indicated in the resume to ensure ease of identification and validation for evaluation purposes”*.
