

## Questions

1. On page 7, section 3.3.1 "the Bidder must provide the full addresses of the Bidder's and proposed individuals sites or premises for which safeguarding measures are required for Work Performance" We are assuming that you are looking for the address of our office where we will be performing our work on the software and not the address for the data center that we will be using, are we correct in assuming that ? and is there any other address that you are looking for?

2. On Page 28, Section 3.2, "Service Provider Instructions:" Point (b): "All other projects are to be demonstrated in the grids provided in the column labeled: Demonstrated Experience where applicable." To demonstrate additional experience, should we use the format shown in table 2 or table 3?

3. On Page 44, ANNEX "E" CERTIFICATIONS, Are you just looking for us to sign Annex "E" in the space provided at the end of the document in order for us to certify the items listed in the document?

## Answers

1. Yes it is the address where the work performed on the software will occur.
2. Table 3 Should be used to answer.
3. Yes a signature will be required in order to attest the bidders understanding of the requirements. All Certification requirements enumerated in the RFP must be met before contract award.
