

**QUESTION AND ANSWER NUMBER 1**

**SOLICITATION 5000019533**

**Canadian Air and Precipitation Monitoring Network Site Operator in Kinghurst, Ontario**

1- In reviewing the solicitation packages for the various air monitoring opportunities currently posted, I noticed a large funding difference and wanted to confirm the amounts are correct:

- 5000022827 - Longlac, Ontario - \$104,000.00
- 5000018034 - Lac Edouard, Quebec - \$126,000.00
- 5000025524 - Chalk River, Ontario - \$85,000.00
- 5000019533 - Kinghurst, Ontario - \$55,000.00

The Technical Authority based the amounts on the previous and/or current contracts that may include additional tasks such as snow removal. After review the Technical Authority has removed the Mandatory Financial Criterion, please refer to Amendment 2, for each Request for Proposal.
