Amendment 001 has been raised to provide answers to questions that were raised.

Question 1:

Please confirm that we do not need to include the Annex B for the snow clearing as it is for grounds maintenance?

Answer 1:

Annex B is the Mandatory Technical Criteria for the Snow Removal Services. As there is no Grounds Maintenance in this requirement, Annex B must be submitted as part of the bid submission for the Snow Removal Services requirement.

The two notes under Annex B parts - M1 & M2, referencing the Grounds Maintenance, will be removed with the solicitation amendment.

All other terms and conditions remain the same.
