This solicitation amendment has been raised to answer questions received:

Question 1. Upon reviewing the Structure Condition Report.

Page 1 of the Structure Condition Report refers to a structure at Latitude 65° 17'N, Longitude 126° 51'W, see location marker 1 on Google Earth image below, this is "close" to Lot 147.

Appendix B of this report contains a transfer plan, located at Lot 147, District of MacKenzie, Norman Wells. This Lot is located off Raven Road, see location marker 2 in the image below and survey location for Lot 147.

Appendix C of this report contains Survey Drawings, this location is shown also in the AECOM report, at the intersection of MacKenzie Drive and Quarry Road (Latitude 65.27, Longitude -126.779).

Can you please confirm which location is covered under this RFP?

Answer 1. This project is concerned with only lot 147.

All other terms and conditions of the Request for Proposal remain unchanged.
