For the Minister - Pour le Ministre		

This amendment 006 is raised for the following:

- A) To replace Annex A-2 - Typical Workstations Layouts and 3-D Views with Annex A-2 - Typical Workstations Layouts and 3-D Views Version 2**
- B) To answer questions received**

Q12. ANNEX A-1 - TECHNICAL SPECIFICATION – Section 11.2 & 11.3. Do the peds need to accommodate legal files?

A12. As per CAN/CGSB 44-227, 6.5.1.1;

File Drawers — The file drawers shall be designed to accommodate both legal- and letter-size filing systems with minimal adjustment. All file drawers shall have full bottoms unless otherwise specified (par. 10.1 m.). Each file drawer shall be provided with at least two removable dividers, a hanging-file rail system or one compressor, as specified (par. 10.1 m.). The drawer shall fully extend, allowing complete vertical access to usable clear space. The drawer slides shall be corrosion resistant.

Q13. Is it possible to provide workstation layouts & 3D's for T-6, T-7 & T-8, as referenced in the CAD Drawing?

A13. No, additional workstation layouts and 3D's are not available.

The only difference in T5 versus T6 follows;

T5 uses T3 Fixed Orientation 1 without the panels between stations to create a “bullpen”.

T6 uses T4 Fixed Orientation 2 without the panels between stations to create a “bullpen”.

The only difference in T7 versus T8 follows;

T7 uses the same layout at T4 Fixed Orientation 1 but have been rotated 90 degrees. The “bullpen” is created by the use of lowered panels.

T8 uses the same layout as T4 Fixed Orientation 1. The “bullpen” is created by the use of lowered panels.

Q14. Annex A-2. In the workstation legend, B1 is referenced as a (610mm D x 1829mm W (24” x 72”), free-standing, height-adjustable (HA) work surface) but in the drawing (T-3, T-4 & T-5) B1 seem to be panel hung. Can you please confirm if B1 is Freestanding or Panel Hung?

A14. Please see Annex A-2 Typical Workstation Layouts and 3d Views Version 2 that has been uploaded as part of this amendment.

All other Terms and Conditions remain the same

Annex A-2

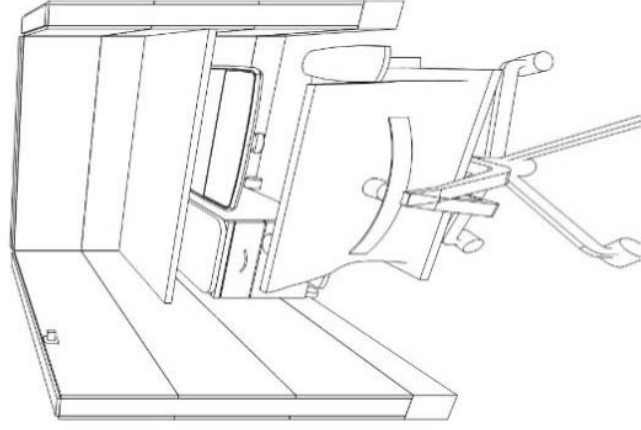

Typical Workstations Layouts and 3-D Views

Typicals are provided for information purposes only. Other workstation layouts will exist due to various factors on building floorplates.

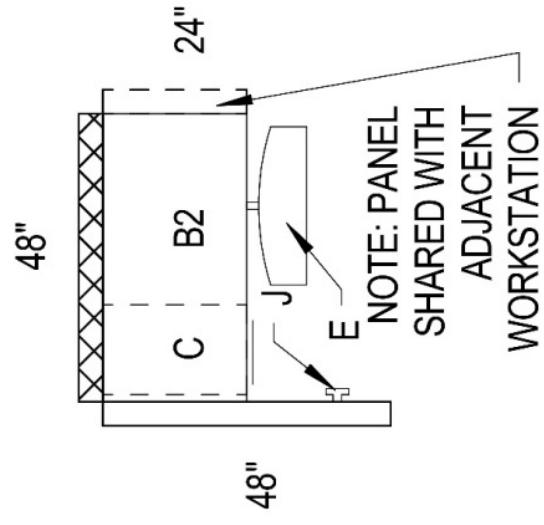

WORKSTATION COMPONENT LEGEND				
A1	610mm D x 1220mm W (24" x 48"), free-standing, height-adjustable (HA) work surface	E	Articulating Keyboard and Mouse Support Surface	
B1	610mm D x 1829mm W (24" x 72"), panel-hung work surface	F1	610mm (24") Accessory Rail	
B2	610mm D x 1220mm W (24" x 48"), panel-hung work surface	F2	1220mm (48") Accessory Rail	
C	Drawer Pedestal	H2	914mm Ø (36") Mobile Table N.I.C.	
D	Storage Tower	J	Systems Furniture Coat Hook	
	Interconnecting panel with two (2) quadruplex data outlets and two (2) duplex electrical outlets		Interconnecting panel with one (1) duplex electrical outlet	
	Interconnecting panel with three raceways – no data or duplex outlets		Indicates panel shared with adjacent workstation for privacy
